

Shipping Information

All samples should be shipped overnight with ice or cold ice pack to the following address:

Attn: POSC Water Quality Lab

University of Arkansas

Center of Excellence for Poultry Science

1260 West Maple

Fayetteville, AR 72701

Packages should be labelled as “Water Samples”

**To prevent delays in processing, we would appreciate that the samples are shipped to the laboratory as early as possible during the week. **

If you have questions or need to contact us, please do so at (479)575-8428 or email waterlab@uark.edu. We will be glad to answer any questions.
